Overview

New Woolworth supermarket located at 186 The Boulevard, Fairfield Heights NSW 2165. KINGWOOD exterior cladding had been chosen for their feature wall profile. And batten profile as outdoor bench. Like our QUEST Service Apartment, Sydney Olympic Park project which which complemented architects' design by providing a natural timber look.

Location of the KINGWOOD products:

External Cladding which installed at side wall to give timber look feature

Outdoor Furniture Profile assembled as a outdoor bench

Completion of Works:

All KINGWOOD products were supplied within project plan and satisfied builders' requirements. The builder was extremely satisfied with Kingwood Technical and Customer service.
